DETAILED ACTION

Allowable Subject Matter

Claims 36, 37, 41, 42, 49, 52, 53, 59-61, 63, 65-69, 71, 73, and 74 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner indicated in the previous Office Action that if the limitations of claims 62 and 70 were incorporated into the independent claims, that the case would be allowable. The applicant has amended the claims as such. Upon further search and consideration, it was confirmed that the prior art fails to teach, or make obvious, the limitation of preventing the claimed coating from being applied to the junctions between the struts of the claimed stent by the claimed method.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
